"It's telling that former Mayor Dot Inman-Johnson, who enthusiastically supported Williams-Cox in 2018, is now the campaign manager for Adner Marcelin.

We feel Marcelin has the experience, the sophistication, the community support, and the values to make a superb city commissioner."

WILLIAMS-COX'S RECORD

DEMOCRATIC PARTY: GIVE THE MONEY BACK

Thousands from the Seminole Boosters After Her Yes Vote.

When the official Democratic Party has to tell Dianne Williams-Cox to give her campaign contributions back to the wealthy Republican FSU Board of Trustees after she voted to give them our \$27,000,000, that's a problem. And she didn't give the money back.

VOTED NO

Voted Against a Women's Right to Choose.

"Williams-Cox says one day that she is pro choice and then voted NO on our prochoice resolution offered at the City Commission meeting Adner doesn't just talk the talk on our issues, but Adner walks the walk."

- Barbara DeVane

VOTED AGAINST \$15/HOUR FOR CITY WORKERS

Voted Against \$15 Minimum Wage for City Workers.

On backing an across-the board city worker minimum wage, Adner's opponent bailed on a fight to increase hundreds of Parks & Rec workers to get a full \$15/hour.

VOTED NO

Voted Against Marijuana Decriminalization

When city commissioners considered decriminalization of marijuana, Dianne Williams-Cox voted no, and sided with our conservative State Attorney Jack Campbell.
